THE

STOWE MISSAL

MS. D. II. 3 IN THE LIBRARY OF THE ROYAL IRISH ACADEMY, DUBLIN.

EDITED BY

GEORGE F. WARNER,

M.A., D.Litt., Keeper of MSS., British Museum.

Vol. I.

FACSIMILE.

London,

1906.

LONDON:

HARRISON AND SONS, PRINTERS IN ORDINARY TO HIS MAJESTY, ST. MARTIN'S LANE.

NOTE.

THE present volume contains a complete facsimile of the Irish MS. known as the Stowe Missal, with the exception of the extracts from the Gospel of St. John which occupy the first eleven leaves. These extracts have nothing to do with the liturgical matter which follows, and there is reason to believe that they were only bound up with it for convenience. For permission to reproduce the MS. the Henry Bradshaw Society is indebted to the liberality of the Royal Irish Academy, in whose library it is now preserved. The collotype plates, which represent the exact size of the original, have been executed by the University Press, Oxford.

A second volume will give the text of the Missal and of the Irish treatise on the Mass at the end of it, literally transcribed, together with an Introduction and an Index of Liturgical Forms. Collotype reproductions of three pages of the extracts from St. John, and of the metal case within which the MS. is enclosed, will also be included.
